INTRODUCTION

This catalog includes the periodical holdings of the San Francisco Public Library, Main Library, Civic Center.

Holdings for the neighborhood branches of the San Francsico Public Library system are included only if the title is unique to the branch, or if the branch has larger holdings than the Main Library. For a listing of branch libraries subscribing to a title, see the Branch Union List of Periodicals.

Holdings in this catalog are current as of June 1,1989.

Collection is reference only, except in cases noted as circulating in the holdings statements.
Photocopies available through Interlibrary Loan. Requests must be made on A.L.A. approved forms or by electronic mail, RLIN, or OCLC. CLSA member libraries may order up to 10 pages copied free. Orders of 11 pages or more will be charged at 25 cents per page.
Photocopying of microfilm ranges from 25 cents to $1.25 per page, depending on size of original. Non-CLSA Libraries will be charged an additional $2.50 per physical volume or microfilm reel copied from.

ORGANIZATION

Titles are listed alphabetically, word by word. General newspapers are listed separately in the blue section at the back of the catalog.

In a case where two or more periodicals have the same title, they are distinguished by the place of publication following the title, e.g. FANFARE (LOS ANGELES,CALIF.).

If the two like titles have the same place of publication, the beginning publication dates will also be included, e.g. FACTORY (NEW YORK, N.Y.: 1907).

Titles beginning with the initials U.S., standing for United States, will be filed as though spelled out.

Many periodicals are listed under the lastest title, with "SEE" references from earlier titles in the Library's holdings. However, those periodicals which have changed title since November 1987 will have holdings records under each successive title and reciprocal "SEE" notes.

Journals, transactions, bulletins, proceedings, etc., are usually listed under the names of the organizations which published them unless they have distinctive titles. When in doubt, check in both locations.

A selection of government documents is also included, but is not definitive. For items not found, check also the Main card catalog and the Documents Department.

FORM OF ENTRY

Immediately below the title of the periodical are any descriptive notes followed by the holdings for the San Francisco Public Library, indicated by "SFPL". The column to the right of the title shows the subject department or branch in which that title is located, and the call number.

SYMBOLS IN CALL NUMBER COLUMN

* Title is available for reference use only and may not be borrowed.

F Title is folio sized and may be shelved in a separate location with other large-sized books in the department.

D Title is a government document located in the Science and Documents Department.

B Title is biographical and located in the History Department .

J Title is located in the Children's Department.
